

Member of Our Family

What would I do without you,
My precious, little friend?
Part mischief, but all blessing,
And faithful to the end!
You look at me with eyes of love;
You never hold a grudge . . .
You think I'm far too wonderful
To criticize or judge.
It seems your greatest joy in life
Is being close to me . . .
I think God knew how comforting
Your warm, soft fur would be.
I know you think you're human,
But I'm glad it isn't true . . .
The world would be a nicer place
If folks were more like you!
A few short years are all we had;
This day we had to part . . .
But you, my pet, will always have
A place within my heart.

PETS ARE FAMILY

We consider pets to be part of our family. They have been our faithful companion. Every one of our directors have grown up with pets. We know what it is like to experience the death of a pet. At Malcore Funeral Home we have been helping families with life's transitions for almost 100 years now. We have always been locally owned and operated by the same family – the Malcore family. Whether it is the death of your loved one or the death of your pet, we are committed to taking care of your entire family. Our staff is available to families 24 hours a day, 7 days a week.

It is hard to know if the death of your pet will happen unexpectedly at your home or with the compassionate assistance of your family veterinarian. If it occurs at your local veterinarian we will make arrangements to pick up your pet at no charge.

Prearrangements are not necessary. We have a working relationship with all veterinary clinics in Northeast Wisconsin. Families who bring their pet to us directly may want to spend some closing moments with their pet at our facility. These can be very tender moments for both children and adults. We have state-of-the-art equipment in an impeccably clean facility. We encourage families to tour our facilities. Before each pet is cremated, a paw print is made for your family as a permanent keepsake. We take pride in the fact that our staff is fully licensed. Every pet cremation will include a pet urn unless the family would like to choose from a wide selection of pet urns available at our funeral home. We guarantee you will receive only your beloved pet's cremains.
