“ With great sadness I read of Gladys' passing. She and Harvey were such great people; caring, loving, so giving of their time and services. Gladys worked with my Mom at Preble High school, for many, many years. Many an item were given for my son; old basketball hoop, toys, etc. and of course, exchange of recipes, still used to this day. Such generous people,. The world has lost another one of its favorites and each one of you should feel blessed to have been created from these authentic Christian people.
